

FOR IMMEDIATE RELEASE

KyLinTV Launches English Channels with Sky Angel **Leading Chinese IPTV Company Expands Service to Offer New English Select Package**

Plainview, NY – August 4, 2008 – KyLinTV is pleased to announce the addition of mainstream English channels to its current Chinese program line-up.

The English Channel Select Package is now available to U.S. subscribers through a partnership between KyLinTV and Sky Angel. Sky Angel IPTV is a leading television broadcast service offering family-friendly programming. The newly added channels include Fox Business Network, Fox News Channel, Discovery Channel, Discovery Kids, Animal Planet, Blue Highways TV, CBS College Sports, Hallmark Channel, Hallmark Movie Channel, Military Channel, NASA TV, NFL Network, Pentagon Channel, Planet Green, QVC, The Sportsman Channel, Tennis Channel, Visual Arts Network and The Weather Channel.

Sky Angel's ever-growing lineup of over 18 channels will broadcast live 24 hours a day offering news, movies, entertainment, sports, education, arts and shopping.

KyLinTV currently provides 46 channels from Mainland China, Hong Kong, Macau, Taiwan and the United States, as well as over 30,000 hours of Video-On-Demand programming.

“These wide-variety of English channels, well-selected and family-friendly, constitute a perfect complement to the current Chinese channels and provide a one-stop solution for customers to enjoy both Chinese and English programming,” said Billy Tianbo Huang, KyLinTV's vice president of strategic relationships. “KyLinTV and Sky Angel will launch more channels in the near future.”

“Sky Angel is excited to partner with KyLinTV to provide wholesome family programming to KyLinTV's Chinese customers,” said Sky Angel's COO Thomas Scott. “Many people today compromise their family values for the sake of entertainment, feeling they have no other option. With the new Sky Angel / KyLinTV partnership there *is* a better way to enjoy television.”

About KyLinTV

KyLinTV is the first IPTV service dedicated to the Chinese community, offering both live broadcast and 30,000+ hours of Video-On-Demand programming. For more information on KyLinTV programming please visit www.kylintv.com

The service comes to the marketplace through the stewardship of two key investors, Charles B. Wang, founder of Computer Associates, and Charles Dolan, founder of Cablevision and Home Box Office. Production is made possible through technology partnerships with NeuLion, Inc. of Plainview, New York and TransVideo of Beijing, China.

The NeuLion IPTV solution delivers KyLinTV content over the Internet direct to televisions throughout the world, in real time and on demand. Visit www.neulion.com to learn more.
